VIVID VISION 2025

There is an intricate complexity to being a human. We are many things to many people serving in many capacities and life roles. My 2025 Vivid Vision is my reflective personal, professional, and spiritual bullseye. I aim to go & serve where God directs me. I am a Christian, wife, mother, educator, proud American, boundary pusher, and audacious dreamer of success, sanctity, contentment, dignity, impact, and hope. After years of adversity, trial, and temptations, I choose to follow the path that God shines His light upon. Thank you for taking the time to connect to help me meet my audacious goals while helping others to reach their dreams too.

I am not bound by time, distance or human limits. I believe in a spiritual realm that beautifully radiates the love of people from all walks of life. My gift is helping others see their own purpose, reach their own goals, maximize their God-given talents, and live their best life. Everyone deserves to experience the magnitude of God's love.
